

## **IKC Executive Board (EB) Mission statement**

### **Mission Statement**

The EB's mission is to serve the aims and purposes of the International Kinesiology College, creating bridges between the different international representative of the Touch for Health and self-responsibility Kinesiology practices.

### **General Description**

It is a Board constituted of each School's Dean and other elected members, who are designated as the Company's Directors and Governing Council. They are to be an international representation of members and to include two Australian directors, as required by Australian law.

The EB oversees the running of the Company. The term of office for all EB Members is from two to five years (extendable). Nominations and elections come from each school and appointments to the EB are ratified by the members at IKC AGMs. All officers serve on a voluntary basis.

### **Duties**

The EB is to carry out the IKC mission statement, in the best manner possible, while serving its members' needs. It is to carry out the objects for which the Company is established:

- Promote Kinesiology
- Provide education and Training
- Cooperate with other modalities
- Conduct research
- Observe ethical practice
- Carry out independent and incidental projects that respect the IKC mission statement.

It is to build community and support its members, encouraging their contribution to IKC's mission.

It is to promote consistency worldwide, while facilitating global and blended learning.

It is to report to members on a regular basis to keep them informed of IKC matters.

It is to manage Company funds, investing them in projects that carry out of IKC's mission.

It is to represent members to other organizations in the Holistic Health field.
